Subject: Offer of Internship for the "Road Safety, Accident Control, and Emergency Reporting App and Web Service", "RAHVEER VIDISHA" Project

Dear Hemant,

On behalf of the Police Department, Vidisha, we are pleased to offer you an internship with our Cyber Cell Division. This offer is extended to you based on your successful selection for the project titled **"Road Safety, Accident Control, and Emergency Reporting App and Web Service", "RAHVEER VIDISHA"**.

This project is a critical initiative aimed at enhancing public safety, improving emergency response times, and minimizing accident-related risks within the district. Your role will be instrumental in developing the core digital tools for real-time reporting, data management, and coordination between the public and emergency services.

The terms of your internship are as follows:

1. **Position:** Intern Developer
2. **Project:** Road Safety, Accident Control, and Emergency Reporting App and Web Service, "RAHVEER VIDISHA".
3. **Supervision:** You will be working under the direct guidance and supervision of the Superintendent of Police (SP) and the Additional Superintendent of Police (ASP), Vidisha.
4. **Start Date:** Your internship formally commenced in **May 2025**.
5. **Duration:** The internship is project-based and will continue from your start date until the successful development, testing, and final delivery of the application and its associated web services to the Police Department, Vidisha.
6. **Responsibilities:** Your primary responsibilities will include, but are not limited to:
 - Designing and developing a mobile application and a supporting web service.
 - Implementing features for real-time emergency reporting, location tracking, and accident alerts.
 - Creating a user-friendly interface for both citizens and department officials.
 - Collaborating with the Cyber Cell team to ensure data security and system integrity.
7. **Compensation:** This is an unpaid internship. The position is offered with the intention of providing you with significant practical experience in application development for a vital public service and an opportunity to contribute directly to the community's safety.
8. **Certification:** Upon the successful completion of the project deliverables and the conclusion of your internship tenure, you will be awarded a formal **Certificate of Completion** from the Police Department, Vidisha, acknowledging your valuable contribution.

We believe this internship will provide you with an unparalleled opportunity to apply your skills in a real-world environment and make a meaningful impact.

Please sign and return a copy of this letter to acknowledge your acceptance of the terms outlined above.

We look forward to your dedicated contribution to this important project.

Sincerely,

Additional Superintendent of Police
District Vidisha(M.P.)
